CLINIC FINANCIAL POLICY

1. Payment in full is expected at the time the service is performed unless other arrangements have been made in writing with the office staff or Drs. McQuaig or Ramaley. Cash, check, credit or debit card may be used to pay.
2. Labor and Industry injuries. We accept Workers Compensation and you will not be charged for your visits at the time of service. You are ultimately responsible for any charges not paid by WA state Labor and Industries or Self-Insured Labor and Industries, should they deny your claim or visits.
3. Personal injury. You will not be charged for services covered within your insurance policy at the time of service. If you have Personal Injury Protection (PIP) or a third party payer accepts responsibility, we will bill the insurance company directly. You are fully responsible for any portion of our charges not paid by the insurance company. If you do not have insurance coverage or no insurance company will accept responsibility, then we recommend that you retain an attorney. A lien with the lawyer and the county will be filed at that time and you will be fully responsible for any portion of our charges not paid by your settlement.
4. We require a 24-hour notice of cancellation of your appointment. If you fail to notify 24 hours in advance, there will be a charge on your account.

WE APPRECIATE WORKING WITH YOU. PLEASE CONTACT US WITH ANY QUESTIONS YOU MAY HAVE.

I understand and agree to all of the above.
